## Parking Permit Form

Parking is a *BIG* problem in the campus area and in order to insure that you will have a place to park, we have contracted with the Shamrock Towing Co. to tow any and all unauthorized vehicles from the lots. Shamrock patrols the parking lots **24 HOURS A DAY, 7 DAYS A WEEK** and will tow *any* unauthorized vehicle that they encounter. Shamrock will also have a detailed list of all of the permitted vehicles for Wolf Properties' lots. If your vehicle does not have a sticker on it, or if you change vehicles in the middle of the year, do not park in the lots until you get the appropriate sticker and authorization from Wolf Properties. New and different parking stickers are issued each year. If you have an old sticker from the year before and have not gotten the new sticker for the current year, do not park in the lot. The old sticker will not keep your vehicle from being towed. The parking sticker must be placed visibly on the back bumper of your vehicle. If the parking sticker is anywhere other than the back bumper, the vehicle will be towed. For those renting apartments at 333 W. 8<sup>th</sup> Ave., no sticker will be necessary to park in the lot behind your building however you still need to fill out a vehicle registration form and any unauthorized vehicles parked in the lot will be towed. **If any unauthorized vehicles are towed, or if any vehicle is towed because of having an outdated parking sticker, or a parking sticker anywhere on the vehicle other than the back bumper, do not call Wolf Properties, we cannot help you.**
